## ABOUT US

Milele Motors is a world leader in the export of tax-free motor vehicles to Africa, Europe and Asia specializing in the development and implementation of vehicle procurement, export management, and customer service technology.

We are an established motor vehicle dealership since 1980s and have been providing quality vehicles to government agencies, NGOs, Hospitals, Embassies, Businesses and private customers at cost-effective rates.

We provide tax-free vehicles to our branches located in Japan, Australia, United Kingdom, USA, Thailand, Belgium and United Arab Emirates. We have ties with major shipping lines and can quote you a CNF rate to your destination or you can arrange your own logistics and we will quote you an FOB.

We offer consumer vehicles and light commercial vehicles of Toyota, Honda, Nissan, Mitsubishi, Mercedes Benz brands, as well as other brands, you may require. Whatever specification you are looking for, be it - right hand or left-hand steering drive, diesel or petrol fuel, manual or automatic transmission, we have you covered. Brand-New Armored Vehicles are also available from Bullet Proof grades of BR1 to BR7. All you have to do is choose from our thousands of stocks which are ready for delivery from our yards.

## OUR EXPERTISE

We have over 200 automobile partners across **70+** countries which enable us to leverage any type of vehicle import or export trading opportunity. Each imported and exported vehicle is individually checked by our in-house team of experts. We also undertake or arrange country-specific inspections by outside agencies. Our In-house dedicated "Logistics Wing" takes care of import and export of vehicles very professionally and at a reasonable cost. In addition to our Logistics Wing, Milele Motors, also, has a dedicated Modifications Team that caters to various conversions of the vehicles in according to the customer's requirement and in compliance with the country-specific regulations.

Our team experts are well adept in procurement, supply and fitment of genuine "Auto Spare Parts and Accessories" to ensure an immediate supply and swift delivery to customers. As per the specific requirements of the customer, whether be in Import or Export, each deal is customized, planned and handled individually as a single project to achieve quality and prompt delivery on time. The satisfaction of our customers and long-term partnership with them are our main focus and goal.
