

(LHD) LEXUS UX 250 2.0P HEV AT MY2023 – BLACK

VEHICLE CODE: UX2.0PH_1

TECHNICAL FEATURES

Engine Technology

Number Of Cylinders	4
Valve Train:	16-Valve, Dohc, Vv..
Cylinder Bore:	80.5Mm
Cylinder:	1987Cc
Engine Power in Kw Per Revolution:	112Kw/6000Rpm
Engine Power in Hp Per Revolution Top Speed:	152Hp/6000Rpm
Top Speed:	177Km/H
Acceleration From 0 - 100 Km/H:	8.5S

Power Transmission

Axle Ratio:	3605
Consumption, Exhaust and Charging Quantities	
Stationary Noise Db(A)	
Driving Noise Db(A)	
Tank Capacity:	43L

Weights/Load

Curb Weight:	1540-1620Kg
Maximum Weight Allowed:	2110Kg
Trailer Load Braked Up To 12% Incline:	750Kg
Unbraked Trailer Load:	750Kg
Trunk Volume In Litters (Vda Method)	
Minimal With Folded Rear Seat, Window High:	320L

Brakes

Type Of Brakes in Front:	Ventilated Disc
Diameter At Front:	305Mm
Type Of Rear Brakes:	Solid Disc 1-Cylinder
Rear Diameter:	281Mm

Body

Number Of Doors Incl. Tailgate:	5
---------------------------------	---

Dimensions

Body Length:	4495M
Ody Width:	1840
Body Height:	1520
Wheelbase:	40M
Ground Clearance:	160

Exterior

Privacy glass: reinforced tinting of the rear side window and rear window
 Chrome-colored radiator grille surround
 Lexus Intelligent Park Assist: parking sensors front and rear (4) with emergency braking function.
 Windscreen wipers activated by rain sensor.
 Light sensor
 Exterior mirrors painted in body color (upper part) and black (lower part)
 Heated exterior mirrors.
 Exterior mirrors, electrically folding.
 Exterior mirrors electrically adjustable
 Diabolo grille
 Rear lights in LED technology
 Rear fog lights with LED lamps
 Roof spoiler in body color.
 Roof rails in aluminium colour
 Windscreen made of acoustic glass.
 Privacy glass: tinted rear side windows and rear window.
 Windscreen land front side windows with water-repellent coating
 Direction indicators
 integrated in the exterior mirrors.
 17-inch light-alloy wheels
 Indicator light with convenience function (3 flashes en touched)
 Daytime running lights in LED technology.

Door handles painted in body color
Front fog lights in LED technology
Front turn signal halogen
Headlight cleaning
Headlight range adjustment
Headlights: Bi-LED
Wheelhouses in black plastic

ACTIVE SAFETY AND DIVING Dynamics

Anti-lock braking system (ABS)
Electronically controlled brake force distribution
Hill Start Assist HAC
Stability Control VSC
Adaptive cruise control with speed limit detection
Consumption-optimizing equipment
Brake lights with emergency braking detection
Blind Spot Assist
Rear cross-traffic warning
Lane following assistant.
Lexus Safety System+
Electromechanical
parking brake
Electromechanical power steering
Pre-Crash Safety System
Pre-Collision System (PCS) with cyclist detection in daylight
Pre-Collision System (PCS) with pedestrian detection
Suspension stabilizers
Traffic sign recognition
Tire pressure monitoring
AVAS warning system for electric mode.
EV mode for electric driving
High beam assistant
Evasive steering assistant
High-performance front transverse dampers
Driving mode controller for Eco/Normal/Sport driving modes
Intersection assistant

PASSIVE SAFETY

Child safety locks in the rear doors
i-Size child seat fixation for the outer rear seats
ISOFIX child seat fixation for the outer rear seats
Airbags: manual front passenger airbag deactivation
Belt tensioners for the outer rear seats
Seat belt warning, visual and audible for driver and front passenger
Seat belt warning, visual and audible for rear seats
Airbags: Head airbags (curtain shield) front and rear
Airbags: Knee airbag for the driver
Airbags: Side airbags for driver and front passenger

Airbags: Knee airbag for the front passenger
Belt tensioners for driver and front passenger

THEFT PROTECTION

Anti-theft alarm system with alarm
Anti-theft alarm system with immobilizer
Anti-theft alarm system with glass breakage sensor
Anti-theft alarm system with towing protection
Anti-theft alarm system with interior monitoring
Radio remote unlocking/ locking
Double-Lock door locking

INTERIOR DESIGN AND COMFORT

Calculation Mode: Automatic
Height-adjustable front headrests
Automatic climate control with air purification and pollen filter
Front center console with integrated storage compartment
Front cup holder
Automatic climate control with automatic air recirculation
Automatic climate control with intelligent air flow control (S-Flow)
Automatic climate control for driver and front passenger individually adjustable
Accessory socket, 12V
Accessory socket (42 V) Luggage compartment
Instrument panel swingarm with satin finish
Lexus Smart Key: keyless opening and locking of the vehicle doors
Luggage compartment lighting
Electric automatic climate control with ionization nanoe
Automatic door locking, closing depending on speed
Window lifters, electrically operated with anti-trap protection
Headrests in the rear height- and tilt-adjustable
Rear bench
Rear bench in the ratio 60:40 foldable
Seat heating for driver and front passenger
Selector lever, leather-covered
Tire repair kit Tire-Fit
Steering wheel with Len motorcycle heating
Steering wheel: 3-spoke leather steering wheel
Heated wiper tray
Dashboard with washi design (Japanese paper) decor
Lexus Smart Key: keyless vehicle entry
Remote-controlled climate control (via Lexus Link Premium Connected Services)
Traffic warning lights (LED) in the doors
Door sills made of black plastic
Plastic rear door sills.

Driver's footrest
Front center armrest with Eco-Luxe cover
Front headrests height and angle adjustable
6-way seat adjustment for the driver's seat
6-way seat adjustment for the front passenger seat
Front seats as standard seats
Glove compartment lighting (LED)
Entry lighting
Interior mirror, automatically dimming.
Door panels in EcoLuxe
Start/stop button.
