Chrome front and rear bumpers with aero kit and plating

Powered back door with kick sensor

Additional Features:

Sequential turn indicators

Headlamp cleaners

Rear spoiler

Tow hitch with pintle hook

Interior

Seating Capacity:

Front Seats:

Second Row Seats:

Third Row Seats:

Climate Control:

Infotainment System:

Audio System:

Rear Entertainment:

Wireless Charging:

Power Outlets:

Storage:

7 passengers

Power-adjustable with ventilation and heating functions

Power-adjustable with ventilation and heating functions

Power-folding for easy access and increased cargo space

4-zone automatic air conditioning

12.3-inch touchscreen with navigation, Apple CarPlay, and Android Auto compatibility

14-speaker JBL premium sound system

11-inch dual rear-seat entertainment screens with Bluetooth headphones

Front console wireless charging pad

220V rear power outlet

Cool box and tonneau cover

Off-Road & Driving Modes

Multi-Terrain Select:

Crawl Control:

Turn Assist:

Hill Start Assist Control (HAC):

Hill Descent Control (HDC):

Adaptive Variable Suspension (AVS):

All-Wheel Drive Integrated Management:

Adjusts vehicle settings for various terrains

Maintains a constant low speed for off-road driving

Helps navigate tight turns during off-road manoeuvres

Prevents rollback on inclines

Assists in controlled descents

Adjusts shock absorber settings based on driving conditions

Coordinates AWD, suspension, braking, and steering systems for optimal performance

Safety & Driver Assistance

Toyota Safety Sense (TSS): Comprehensive suite of safety technologies

Adaptive Cruise Control

Pre-Collision System with Pedestrian Detection

Lane Departure Alert with Lane Tracing Assist

Automatic High Beam

Blind Spot Monitor with Rear Cross Traffic Alert

Parking Support Brake

360° Camera System:

Heads-Up Display:

Airbags:

Tire Pressure Monitoring System (TPMS):

Anti-Theft System:

Panoramic View Monitor with washer

Projecting key driving information onto the windshield

10 airbags including front, side, curtain, and knee airbags

Monitors tire pressure and alerts the driver

Engine immobilizer and alarm system
